PRESIDENT & CONSULTING ACTUARY

## David V. Axene, FSA, CERA, FCA, MAAA

David Axene is a recognized strategist and industry thought leader. He is a frequent speaker and writer on healthcare issues. He is an internationally recognized health consultant providing consulting to all types of health care organizations including:

- HMOs, PPOs, managed care plans and BlueCross Blue/Shield plans
- Healthcare providers: hospitals, medical groups and ancillary providers
- Various governments and government programs: federal, state and local, international, Medicare, Medicaid, and social systems
- Employer health benefit plan sponsors
- Healthcare innovation and technology companies
- Dispute resolution services: expert testimony, arbitrator and mediator

Prior to establishing AHP, David enjoyed a successful consulting career at Ernst & Young, LLP and Milliman & Robertson, Inc. While at Ernst & Young, he was responsible for the firm's health actuaries. He was an Equity Principal with Milliman & Robertson, Inc. (i.e., now Milliman USA) where he led their healthcare consulting efforts and founded the Care Guidelines division.

His professional designations include: Fellow of the Society of Actuaries, Chartered Enterprise Risk Analyst, Fellow of the Conference of Consulting Actuaries, and Member of the American Academy of Actuaries.

In addition to his actuarial credentials, David earned a Master of Science in applied mathematics from the University of Washington, and a Bachelor of Science in physics and engineering from Seattle Pacific University.

David has served on multiple non-for-profit Boards including Azusa Pacific University, Town & Country Manor, The Awakening Church, the Benefits Board and the South Pacific District of the Christian & Missionary Alliance.

David is married and has three married children and 11 grandchildren. He and his wife reside in the greater Dallas area.
