DIRECTOR OF COMMUNICATIONS

Lonnie P. Campbell

Lonnie Campbell mixes ingredients from print design, video production and web coding with business savvy to develop compelling creative direction and content for Axene Health Partners.

After several years running successful email and interactive advertising campaigns for Titleist, he sought an opportunity to focus his marketing expertise and to deliver effective, results-driven marketing with AHP.

Lonnie holds a Bachelor of Science in Communication from Cal Poly Pomona.

He lives in the North Dallas area with his wife, Martha and their three daughters. He is a soccer fan and on rare occasions you may still find him on the golf course.
